The Elves' Winter Holiday Program

2019

Elves brighten the holiday season for children in need in area schools as identified by school nurses and social workers

- Children receive all items on our checklist: new clothing and toys
- Cost is about $125 per child
- Anyone can become an elf, including those not affiliated with Cornell
- Office teams, families and student groups can sponsor a child together
- No religious affiliation
- No overhead costs to this program (meaning 100% of your donation is used to benefit local children)
- In 2018, Elves sponsored 1,168 children in 34 area schools

Please contact me if you would like to sponsor a child:
